

Inciso C) ii Configuración de política de firewall para bloqueo de sitios de alto riesgo.

The screenshot shows the FortiGate Web Filter configuration interface. The 'Edit Web Filter Profile' window is open, showing the 'Internet-General' profile. The 'FortiGuard Category Based Filter' is enabled, and the 'Local Categories' list is visible. The 'Action' column shows 'Block' for various categories like 'Potentially Liabile', 'Drug Abuse', 'Hacking', 'Illegal or Unethical', 'Discrimination', 'Explicit Violence', and 'Extremist Groups'. The 'Search Engines' section is also visible, with 'Enforce Safe Search' checked. The 'Static URL Filter' section is empty. The 'Additional Information' panel on the right shows 'API Preview', 'References', 'Online Guides', 'Relevant Documentation', 'Video Tutorials', and 'Fortinet Community'. The 'Notifications' panel on the right shows 'No new notifications'. The 'System' window in the foreground shows the status of the Ethernet adapter Ethernet 6 and the Wireless LAN adapter Wi-Fi. The Ethernet adapter is connected to the network, and the Wireless LAN adapter is disconnected. The system clock shows Thursday, May 22, 2025.

Inciso C) iii Trafico de paquetes encriptado por VPN entre estaciones y el corporativo.

The screenshot shows the FortiGate IPsec VPN configuration interface. The 'Edit VPN Tunnel' window is open, showing the 'IPSEC_VIA_BH_01' tunnel. The 'Network' section shows the 'Remote Gateway' as 'Static IP Address (170.247.225.74), Interface: port15'. The 'Authentication' section shows the 'Authentication Method' as 'Pre-shared Key' and the 'IKE Version' as '1, Mode: Main (ID protection)'. The 'Phase 1 Proposal' section shows the 'Encryption' as 'AES128' and 'Authentication' as 'SHA256'. The 'Diffie-Hellman Groups' are listed as 32, 31, 30, 29, 28, 27, 21, 20, 19, 18, 17, 16, 15, 14, 5, 2, 1. The 'Key Lifetime (seconds)' is set to 86400. The 'Local ID' is empty. The 'XAUTH' section shows the 'Type' as 'Disabled'. The 'Phase 2 Selectors' section is empty. The 'Additional Information' panel on the right shows 'API Preview', 'References', 'IPsec VPNs', 'Guides', 'IPsec VPN Cookbook Recipes', 'VPN Setup on FortiClient', 'Configuring an IPsec VPN Connection', 'Online Guides', 'Relevant Documentation', 'Video Tutorials', and 'Fortinet Community'. The 'Notifications' panel on the right shows 'No new notifications'. The 'System' window in the foreground shows the status of the Ethernet adapter Ethernet 6 and the Wireless LAN adapter Wi-Fi. The Ethernet adapter is connected to the network, and the Wireless LAN adapter is disconnected. The system clock shows Thursday, May 22, 2025.
